## NOTICE REQUIREMENTS

This document comprises the written notice requirements of NJAC 6A:14 and includes the Behavioral Intervention Plan as a description of the proposed action, and description of the procedures and factors used in determining the proposed action.

### Description of Proposed Action

SAMPLE STATEMENT - This Behavioral Intervention Plan (BIP) is being developed in response to concerns regarding First's behavior which recently resulted in disciplinary action. This BIP will identify the target behaviors and summarize the results of the Functional Behavioral Assessment which was conducted. Strategies to prevent the recurrence of the target behavior as well as in response to its occurrence are provided. Additional strategies to reinforce the demonstration of appropriate behavior are also included. The interventions described in this Plan will be implemented within 10 calendar days of the date of this meeting.

### Description of procedures, tests, records, or reports and factors used in making this decision

Complete this section with the procedure used to determine action.

### Description of options considered and the reasons the options were rejected.

Complete this section if a parental request was rejected.
